2018 GATEWAY SCHOOL SUMMER CAMP REGISTRATION FORM

Arrival and Departure

Because we are concerned for the safety of our children in the parking lot, we ask that parents remain in their cars at arrival and departure times. Cars should enter the east driveway entrance in single file and wait to drop off or pick up children until their car is in front of the school gate. A teacher will greet cars and assist with doors. A teacher will also aid in the buckling of the child in the car during dismissal, but it is ultimately the driver's responsibility to be sure child is secured properly. Each driver will be assigned a number and given a large card with that number on it. At dismissal time, drivers are asked to hold their numbers out of the car window so that teachers can bring each child to his/her appropriate car.

Clothing

Children are encouraged to wear play clothes to school. Closed toe shoes are safest for active outdoor play. Daily activities include active and messy play. The children should feel comfortable enough to enjoy themselves without worrying about their clothes. Select clothing that your child can manipulate alone. This helps develop your child's sense of confidence and independence.

Registration/Tuition Fees and Forms:

We ask that each family provide a \$50 nonrefundable deposit toward the camp fee with each registration. Camp fees are to be paid weekly in advance of summer camp attendance. Each child is required by the State of Ohio to have a completed form JFS01234 on the first day of attendance at the Gateway School Summer Camp. Forms will be provided upon registration.
